

SPEND LESS. BUILD EQUITY. STAY PROTECTED.

Spend less on what you already buy. Send the difference to your mortgage.

Your equity climbs faster, and that is wealth you can lean on when times get hard.

Equity Guardians cuts what you pay for everyday goods and services, then routes the difference straight to your mortgage principal. That builds equity faster, which is real wealth and a cushion if hardship or a downturn ever puts your mortgage at risk. If it does, our foreclosure defense and last-resort recovery stand behind you. **Free to you, for the life of your loan, when you buy with me.**
